Dear Sir:

Re: United States Patent Application No. 10/526,776
For: HARMONIC DRIVE MOTOR
Filed: March 8, 2005
Applicant: Ernest Davison

The Applicant has reviewed the Publication No. 2005/0253675 A1 and noticed there are two non-material mistakes on the cover page thereof.

On the cover page of Pub. No. 2005/0253675 A1, the assignee's name and address has been misspelled as " E. D. M. Reseources Inc." and "Mafat". Please correct the name and address of the Assignee in the USPTO records to read as:

E. D. M. Resources Inc., Moffat (CA).

It is submitted that the Applicant has been using the correct spelling in all the correspondence with the USPTO. However, it is noticed that, in the corresponding PCT application publication WO2004/025815A1, a typo has been made by WIPO in the assignee's name as "E. D. M. Ressources Inc." This is a typo since the International Preliminary Examination Report shows the correct spelling. In addition, the address in the USPTO PAIR system shows the correct spelling, while in the USPTO publication it was mistakenly spelled.

It is submitted that according to the MPEP §1131B, these mistakes are non-material mistakes, and a request for corrected publication is NOT filed.

Respectfully submitted,

ERNEST DAVISON
